

# TROPICAL AND EXOTIC FRUITS COSTA RICA FLAVOR AND DIVERSITY

- In 2019, Costa Rica was ranked third in terms of value among the tropical fruit suppliers of the United States with \$1082.0 million USD.
- Costa Rica was the main supplier of tropical fruits in 2019 of the European Union in terms of value with \$2 billion USD.

## Features

### An ample variety of flavorful and colorful fresh products

**Traditional tropical fruits** like mango, watermelon, melon, pineapple, banana, and coconut.

**Costa Rica offers a wide variety of exotic fruits**, including papaya, dragon fruit, blackberry, strawberry, goldenberry, and rambutan.

The largest market for Costa Rican fruits is the United States. The U.S. imported 42.2% of the product that left our borders and consumes four times as much as the next country that imports locally grown fruit.

## Why buy from Costa Rica?

In addition to presenting quality, innovation, and diversity to the world, our offer is backed by the **best foreign trade promoter in the world, PROCOMER**. We are the institution responsible for promoting the export of Costa Rican goods and services worldwide. In addition, we simplify and facilitate export procedures to meet the demands of international buyers with the extensive and diverse Costa Rican offer through long-lasting business relationships.

## Certifications

Our exotic fruits meet the highest quality standards and certifications required by the markets where they are consumed. These are some of the certifications obtained by local fruit production:
