

# PLANTS, FLOWERS, AND FOLIAGE COSTA RICA, PARADISE OF COLOR, FRESHNESS AND AROMA

Occupying just 0.03% of the world's surface, Costa Rica concentrates around **5% of all the planet's biodiversity**; among it, plants, flowers, and foliage that garner the essence of a country that is characterized by its color, aroma and diversity.

## Features

We offer more than 200 varieties of plants; including stand-outs dracaenas, ficus, crotons, and bromeliads. 1,236 hectares are dedicated to the production of these.

Approximately 376 hectares are flooded with lively colors during the harvest of more than 1,200 varieties of orchids and other flowers and foliage such as: petunia, musa, iris, paradise, lilies, and aralia.

## Why buy from Costa Rica?

In addition to presenting quality, innovation, and diversity to the world, our offer is backed by the **best foreign trade promoter in the world, PROCOMER**. We are the institution responsible for promoting the export of Costa Rican goods and services worldwide. In addition, we simplify and facilitate export procedures to meet the demands of international buyers with the extensive and diverse Costa Rican offer through long-lasting business relationships.

## Certifications

The beauty and freshness of our land has international recognition highlighted by vital certifications such as:
