

ROOT AND TUBERS COSTA RICA, TASTE FROM THE HEART OF OUR LAND

Costa Rica offers a wide variety of crops that come from the richness of this land. Root crops and tubers have become products that have increased the country's exposure throughout the world.

Features

Costa Rica, the leading exporter of roots to the United States, exports \$ 75.2 millions of roots and tubers to this market annually.

Costa Rican exports of products such as yams, sweet potato, and taro to different destinations are growing. The variety of roots and tubers part of the export offer is proof of the tremendous potential this sector shows.

Why buy from Costa Rica?

In addition to presenting quality, innovation, and diversity to the world, our offer is backed by the **best foreign trade promoter in the world, PROCOMER**. We are the institution responsible for promoting the export of Costa Rican goods and services worldwide. In addition, we simplify and facilitate export procedures to meet the demands of international buyers with the extensive and diverse Costa Rican offer through long-lasting business relationships.
