

# ROASTED COFFEE COSTA RICA, A CUP THAT CONQUERS THE WORLD

- Costa Rican coffee is recognized around the world for its quality and wide range of exotic flavors. With 200 years of coffee production under its belt, Costa Rica is recognized for Arabica beans, where 80% of national production is cultivated in eight different regions, enriching this coffee with unique organoleptic attributes.
- The quality and sustainability in the production processes result in beans with a special roast that is characterized by exotic aromas and flavors on the palate.
